Ev - ry - thing goes fly - ing by, Aer - o - plan - ing thru' the sky,
High a - bove the ice and snow, In the clouds is where I'd go;

Oh don't stop but let us drop In - to that re - frain,
Oh come quick and take me up, Do that dip a - gain,

Push that le - ver and we're off In that rag - gy aer - o - plane.
Start the mo - tor take me up, In that rag - gy aer - o - plane.

CHORUS:

Oh that aer - o - plane rag, Just see that

mf

aer - o-plane sag, Lis - ten to those wires a sing - ing,

Take me down my ears are ring - ing, A list - 'ning

to that aer - o - plane rag.
